Responsible Disposal Guidance

DISPOSAL INSTRUCTION

Place clean and dry plastic in the dry/recyclable waste stream.

HANDLING INSTRUCTION

Remove leftover contents and rinse the container if necessary.

ECO TIP

Avoid single-use plastic and prefer reusable alternatives.

Local Disposal Guidance — Indore

RECOMMENDED ACTION

Keep clean and dry plastic separate and place it in the dry/recyclable waste stream according to local municipal collection rules.

IMPORTANT NOTE

Local collection rules and authorized facilities can change. Verify current municipal or pollution control board guidance before disposal.
